

CUFC COVID-19 Policy

CUFC's Board of Directors believes that the health and safety of our membership should be one of our highest priorities. As a youth and adult sport organization, **we will be following the Government of Alberta's Restriction Exemption Program.**

To enter any practice facility, or to participate/attend games, all individuals 12 years and up must provide one of the following:

- **Proof of Vaccination:** Paper copies or a PDF version of an Alberta Vaccine Record, MyHealth Records, Pharmacy, First Nations, or physician immunization record.
 - This record will show the individual's name, birthdate, vaccination type and date of vaccination;
 - Partial vaccination: **A single dose administered 14 days prior is accepted until October 24th, 2021.**
 - **Effective October 25th, 2021, full vaccination is required**, the second dose must have been administered 14 days prior.
 - **AT THIS TIME**, the City of Calgary's Vaccine Passport Bylaw does NOT specify the number of doses **youth aged 12 – 17** are required to have, therefore proof of a single dose, administered 10 days prior is acceptable, in order to participate in games within the City of Calgary. However, CUFC highly recommends that all youth aged **12 – 17** be fully vaccinated in case requirements change.

Effective November 15th, 2021, the Albert Vaccine Record QR code will be the only acceptable form or verification.

- **Proof of a negative COVID-19 Test:**
 - The result must be an original copy (ie. no screenshots or photos);
 - The test must be privately paid (ie. not done by AHS or Alberta Precision Laboratories);
 - The test must be a Health Canada approved rapid antigen, rapid PCR or lab-based PCR test;
 - The test must be done within 72 hours.

Test results must show the **type of test, time of sample collection, clear indication of a negative result, and the laboratory that completed the test.**

- **Documentation of medical exemption:**
 - A valid medical exemption is the original signed letter from a physician or nurse practitioner that includes:
 - Person's name that matches their identification;
 - Physician's or nurse practitioner's complete information, including:
 - name, phone number, contact information, professional registration number and signature;
 - statement that there is a medical reason for not being fully vaccinated against COVID-19;
 - duration that the exemption is valid.

CUFC's Board of Directors, Staff, Team Officials, and all volunteers thank you in advance for your help and cooperation in making this a fun and safe season for our organization!
